

## ***Pricing Guide for Chestnut Shows***

The following is a list of sizes and prices submitted for the last few Chestnut Shows, which may help determine the price of your paintings.

We are in no way suggesting that you stay within this guide. (If you are a very new painter, you may want to price on the low end of this scale, or below; whereas our members who are represented in the high-end galleries, will be at the top of this range, or even above.)
