**Friday, October 5, and Saturday, October 6, 2018**

*(This event will be held rain or shine. Covered areas are available.)*

Enjoy a day painting the sites, sounds and atmosphere at Cannonsburgh Village in Murfreesboro, Tennessee. The Murfreesboro Art League in conjunction with Cannonsburgh Village is hosting an event that involves artists who like Plein Air painting. There will be log cabins and wet lands with a flowing stream and antique tractors. There is also a working Blacksmith Shop. At the end of the day there will be a juried wet paint show and sale. There will be western music through-out the day with Farmer and Adele in concert from 4 pm to 6 pm. While the concert is going on, entries from the day will be judged and prizes awarded. The reception and sale will begin at 6:00 pm.

Cannonsburgh Village was established in 1976 as part of the Bicentennial Celebration and is one of the few Bicentennial sites still in existence. The buildings on site are original and were moved from other Rutherford County sites and date from middle 1800 to 1920. They include 3 log houses, a grist mill, telephone office, school, doctors office, weaving cabin, and a beautiful chapel. There is also a collection of old tractors and a farm museum. Two buildings were built on the site to match existing buildings.
