<b>Painting Guidelines and Restrictions</b>	<p>You may begin now to paint at Radnor Lake, and you may either participate in organized Chestnut Group paint outs, or you may paint independently.</p> <p>► It is vital that all State Natural Area guidelines be respected (<i>see Rules and Regulations of a Natural Area at <a href="http://radnorlake.org/the-park/park-rules-and-regulations/">http://radnorlake.org/the-park/park-rules-and-regulations/</a></i>). All artists must remain on trails at all times and must be able to transport gear to locations without assistance from Park staff. If you paint along the trails, please find a wide spot to set up your gear and do not block the path of hikers. Radnor has the highest level of protection in the State of Tennessee due to its fragile habitat and bio-diversity. Please take extra care while enjoying the Park.</p> <p>► <u>Remember, the buddy system is the safest way to travel and paint!</u></p> <p>► Please review and abide by “<b>Leave No Trace and Member Etiquette</b>” guidelines located under Resources tab</p> <p>► While inside the Radnor Lake State Natural Area, we strongly encourage the use of Gamblin Solvent Free Gel in place of regular solvents, and the use of Gamblin Sunflower Oil for brush cleaning</p> <p>► Park hours are 6:00 a.m. until dark. (Dark is defined as needing a flashlight to read the signs.)</p> <p>► The Chestnut Group Facebook page (for Members) is a great resource for information on organized paint outs, or for members seeking other members to paint with.</p>
